

The new  
**AquaPower™**  
 Auto Roller –  
 you'll take  
 to it like a duck  
 to water.

## All New and “Exclusive” to Daisy

The amazing, automatic, **AquaPower™** Roller System

Simple, smart, fast and affordable – it's brilliant breakthrough.

The new **AquaPower™** Auto Roller System is exclusive to Daisy in Australia and the only one of its kind in the world.

Simply connect an ordinary garden hose – turn the **AquaPower™** Auto Roller on – and roll up a standard pool cover in less than a minute!

**AquaPower™** uses less than 30 litres of water (about 3 standard household buckets) – and it all flows straight into the pool.

**No batteries –**

**No electricity –**

**Totally safe and**

**Totally corrosion resistant.**

**Exclusive Daisy AquaPower™ Auto Roller System:**

- Requires nothing but a standard garden hose
- Suitable for pools up to 18 metres long
- A fraction of the cost of other automatic roller systems
- Rolls up a standard pool cover in less than a minute
- Simple, durable no-maintenance design

**The AquaPower™ Auto Roller System – another Daisy Pool Covers product to power your sales!**

**Recommended Retail Price \$1095**
