POWERPLUS PUMPS

RELIANCE MKIII SAND FILTERS

APPLICATION

The Powerplus range of swimming pool pumps perfectly complement the Reliance MKIII Sand Filter series offering superior filtration of your swimming pool water. Available in a range of models to suit all swimming pool shapes and sizes this product combination will ensure the water in your swimming pool is properly filtered for the entire family to enjoy with the least amount of fuss. Reliance MKIII Sand Filters offer exceptional strength and resistance to chemical and corrosion via the fibreglass winding design and have improved water flow via the heavy duty 6 way multiport valve and lateral assembly for ultra pure water filtration.

Powerplus Heavy Duty swimming pool pumps offer exceptional performance and reliability. These pumps have been designed to deliver maximum flow rates at low pressure with whisper quiet operation. The large hair and lint pot basket is easily accessible via the clear lint pot lid enabling simple inspection of debris. Complete with barrel unions these pumps and filters are simple to install on new or existing swimming pools. Ensure your swimming pool is complete with the superior filtration package from Monarch Pool Systems, first choice in water circulation equipment!

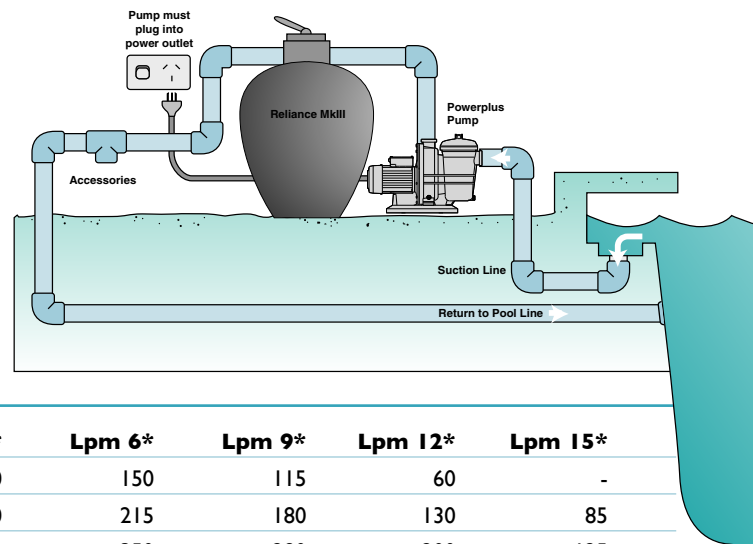

RELIANCE MKIII SAND FILTER

Model	Part No.	Filter Area (m ²)	Height (mm)	Tank Dia (mm)	Design Flow (lpm)	Sand (kg)	Valve Port Size (mm)	Filter Weight (kg)	Max Working Pressure (kpa)	Pump Size (watts)
20	S7000320	0.20	886	500	160	70	40	14	350	550
24	S7000325	0.28	975	600	230	130	40	18	350	750
28	S7000330	0.38	1150	750	320	170	40	22.5	350	1100
35	S7000335	0.62	1300	900	470	280	50	43.5	350	1500

*Other models available upon request

FEATURES AND ADVANTAGES

- Improved water flow with ultra pure filtration
- Fibreglass winding design for exceptional strength, will not split
- Total resistance against chemicals and corrosion with the ability to withstand high temperatures
- Top mount heavy duty multiport valve with easy to operate handle and sight glass for inspection of filtered water
- Standard long life oil filled pressure gauge
- Simple backwashing required periodically, no need to hose down filter elements or add powders necessary for other types of filter media
- Suitable for use with filter sand or ZeoPure filter media
