

Barbados

# Barbados

The Barbados is a brand new range of pools combining the best aspects of the South Seas range and incorporating a larger top coping. While maintaining the same slimline posts and framework, we have paired it with its own unique wall, giving the pool a sleeker look and making it perfect for any modern backyard. The Barbados pool has been engineered for above or inground installation and comes with a 15 year pro-rata warranty.

## Features

- Unique 100mm top coping delivers strength and safety
- Slimline posts maintain pool strength
- Braced structural design
- Exclusive coloured 1.2m wall height creates a streamlined look
- Durable 0.5mm light blue liner, made in Australia
- Marine grade nuts and bolts – designed for use around water

Each local council has its own set of regulations concerning the installation of modular pools. Sterns Pools recommend that you contact your local council to be certain of regulations before commencing installation.

## Choose your liner

Every Sterns Pool comes with a light or dark liner as standard, however we also offer a variety of premium printed liner options. All liners are made by Sterns Pools from true 0.5mm heavy duty material and are backed by our 10 year limited warranty.
